

NARS LUCKY SQUARES

WHICH SQUARE COULD WIN YOU A PRIZE?

HOW TO RUN THE CHALLENGE

1. Simply choose the winning number first and place in a sealed envelope, to be revealed when all squares have been chosen!

2. Decide on your prize. Use 50% of Lucky Square donations as prize money or source a prize locally (a donated hamper, gift voucher or hotel stay goes down well!)

3. Invite your friends, family and colleagues to choose their lucky number, write their name in the number box and donate - we suggest a £1-£2 donation.
